Stainless Steel Fuel Lines

GENERAC® PROTECTOR DIESEL GENERATOR ACCESSORIES

Model 006513-0 - 15 & 20 kW Model 006517-0 - 30 kW Model 006516-0 - 50 kW

DESCRIPTION

Some municipalities require the use of stainless steel fuel lines instead of the standard hoses provided with the diesel generator products. These stainless steel lines are fire resistant for additional safety. Contains Return and Send Fuel Lines (1 each).
